FOR IMMEDIATE RELEASE

Commissioners Recognize Local Youth Artists

On Wednesday, December 18, the Tuscarawas County Commissioners recognized award winners from the Tuscarawas Arts Partnership (TAP) Arty Party, which was held on November 3, at My Museum Tattoo Studio. Hosted by TAP, the Arty Party is a free arts filled event showcasing Tuscarawas County student artwork. Approximately 130 pieces of artwork were received for the Arty Party and were then judged and awarded. Of those 130 pieces of artwork, Commissioner Landis and Commissioner Abbuhl welcomed the award winners from grades two through ten, and congratulated the students on their art and awards. Wilma Mullet, Executive Director of TAP, commented that she and other judges were blown away by the quality and amount of artwork that was received. According to Ms. Mullet, the number of pieces obtained for the Arty Party, demonstrates the ability, diversity, and amount of young artists in Tuscarawas County. Commissioner Landis agreed, stating that “I am so impressed by the artistic abilities of all the students here today, as well as the arts programs in Tuscarawas County.” Commissioner Abbuhl encouraged the students to showcase their abilities at other events as well, such as the Tuscarawas County Fair. Student artwork was on display in the William E. Winters Board Room, and each student and his or her family was invited to attend and be recognized.
