February 6, 2019

Tuscarawas County Engineer has an opening for Highway Maintenance Worker II. Applicant must have a valid Commercial Drivers License (CDL) Class A.

Examples of skills and/or experience relevant to this position include:

- Operation of tandem truck to transport stone, dirt, salt, asphalt, etc.
- Operation of construction equipment such as loader/backhoe, excavator, grader, dozer, forklift, broom, patching machine, etc.
- Operation of snow and ice control equipment
- Construction of bridges, guardrail and other roadway items
- Concrete construction and maintenance

Applicant is expected to have a satisfactory record of attendance, safety, and work performance. Successful applicant will be subject to initial and random drug screens. Successful applicants will be expected to be available for overtime, particularly during or after weather events.

Interested parties should send a resume to the Engineers office at the above address and/or complete and return the attached application.
